

TOWN OF ALPINE  
PLANNING & ZONING  
PUBLIC WORKSHOP MEETING  
MARCH 12, 2008

Meeting was called to order at 6:15 pm. Present were: Pat Marolf, Paula Stevens, Dave Gustafson, and John Thomas. Kennis Lutz was absent.

Chairman Gustafson brought updated maps for the Commission to look at. Commission discussed different lot changes per property owner's requests. Commission has read and re-read letters and comments from the public in regards to their properties.

Commission agreed to the new changes and why they were. Done. Commission then let the public that was present look at the newer updated map. Commission then asked if any on in the audience had any questions or comments.

Jeff Raver: Pleased with the proposed changes and wants to thank the Commission for all their hard work.

Dodie Urban-Jordan: Thanks P & Z for the changes as she feels they are a better fit for the area.

Mari Stewart: Thanks P & Z for all their hard work. Her only concern was the timeframe for public response. If we have to do this again, it would be nice if the people had more time for comment and written letters.

Brian Budge: Thanks P & Z for acceptin his late letter and appreciates the proposed new zoning. He does agree with Mari on the timeframe issue.

Skip Songer: Appreciates the changes and thanks P & Z.

Donn Wooden: Is pleased to see changes and is happy with them. He appreciates the time and energy that P & Z has put forth.

Chairman Gustafson thanked everyone in the audience for coming and for their time and letters. The input really was appreciated and it did help.

Meeting was adjourned at 7:24 pm.
